

Fulllife S 10W-40

Synthetic Based Optimum Lubrication

PRODUCT DESCRIPTION

Fullife S 10W-40, is a synthetic based engine oil which is formulated with unique combination of quality base oils and advanced additive technology to meet the lubrication needs of gasoline or diesel engines.

APPLICATIONS

It is suitable to use in gasoline or diesel engines of passenger cars and light commercial vehicles where viscosity and performance requirements is appropriate.

CHARACTERISTICS

- It keeps engine parts clean and extends engine life by controling deposit and sludge formation.
- It maintains its lubrication until the next oil change due to its high oxidation stability.
- Its maintains its protection even under extreme operating conditions due to its durable oil film strength.
- Its high viscosity index provides superior performance under variable weather conditions.

PERFORMANCES

API SN/SM/CF

TYPICAL PROPERTIES

ASTM D 4052	0,875
ASTM D 445	91,7
ASTM D 445	13,5
ASTM D 2270	149

HEALTH AND SAFETY RECOMMENDATIONS

Waste oils must not be discharged into underground or surface water sources, sewage systems or garbage cans. Prolonged or repeated contact with used oils may cause skin diseases. Therefore sterilized gloves should always be used. If part of the skin comes into contact with waste oil, that part should be immediately washed with plenty of soap and water. In case of skin irritation or redness caused by contact, seek advice of your doctor immediately. For more information contact Material Safety Data Sheet (MSDS).

The vehicle and equipment manufacturers spesifications and relevant international standards were taken into consideration while preparing the content of this Technical Data Sheet. The expressions in the content of this Technical Data Sheet can not be considered as guarantee commitment or similar way in terms of product characteristics and product use in any applications.

The correct use of this product, compliance with applicable laws and regulations is responsibility of the user. Opet Fuchs Madeni Yağ. San. ve Tic. A.Ş. can not be held responsible for any loss or damage arising from the abnormal use and misuse or any hazards of product content and its results.

This Technical Data Sheet is valid from the date of publication. The information in the content of this Technical Data Sheet are subject to change without notice. Please contact with Opet Fuchs Technical Services Department for more information.
